

Kalyan Bharti Trust

Established with a strong commitment to education and guided by a spirit of philanthropy, a group of like-minded industrialists from Kolkata founded the public charitable educational foundation, Kalyan Bharti Trust (KBT). United by a shared objective of contributing meaningfully to the society, the Trust nurtures dynamic and compassionate individuals prepared to meet the challenges of a globalized world while remaining firmly rooted in traditional values.

The Trust's primary mission is to create and sustain a centre of excellence in education that reflects the rich cultural heritage of India. It emphasizes on the holistic development of individuals—integrating the growth of body, mind, and soul—and aims to cultivate responsible, innovative, and empathetic global citizens committed to the nation's progress and overall advancement of the society.

The Trust currently operates five educational institutions together forming Heritage Group of Institutions, Kolkata.

Heritage Group of Institutions encompasses a diverse range of academic establishments catering to different streams of education. The Heritage School offers schooling from pre-nursery to Class XII, following CISCE, IGCSE, and IBDP curricula. Heritage Institute of Technology, an autonomous institution under UGC, is accredited with an 'A' Grade by NAAC, approved by AICTE, and affiliated with Maulana Abul Kalam Azad University of Technology. It offers undergraduate and postgraduate programmes in engineering and technology, management and computer applications.

The Heritage Academy, also affiliated with the same university, offers undergraduate and postgraduate courses such as B.Sc. in Cyber Security & Media Science, and M.Sc. in Media Science. Heritage Law College, affiliated with the University of Calcutta, offers a five-year integrated B.A. LL.B programme in legal education. Meanwhile, The Heritage College, also affiliated with the University of Calcutta, offers undergraduate and postgraduate programmes including B.Com. (Hons.), B.A. (Hons.), B.Sc. (Hons.) and M.A. in English.

The Heritage campus is situated at 994 Madurdaha Chowbaga Road, behind Ruby General Hospital in Kolkata, conveniently located between the Eastern Metropolitan Bypass and the Basanti Expressway.

Celebration of

10th Anniversary with Former President of India
Bharat Ratna Late Dr. APJ Abdul Kalam

VISION

- ❖ To prepare dynamic and caring citizens to meet the challenges of global society while retaining their traditional values

MISSION

- ❖ To prepare students with strong foundation in their disciplines and other areas of learning
- ❖ To provide an environment for critical and innovative thinking, and to encourage life-long learning
- ❖ To develop entrepreneurial and professional skills
- ❖ To promote research & developmental activities and interaction with industry
- ❖ To inculcate leadership qualities for serving the society

Heritage Institute of Technology

OVERVIEW

Established in 2001, the Heritage Institute of Technology stands as a premier autonomous engineering institution under the UGC, distinguished by its modern infrastructure and academic excellence. Accredited with an 'A' Grade by NAAC, approved by AICTE, and affiliated with Maulana Abul Kalam Azad University of Technology, the institute exemplifies quality and credibility in higher education.

With a strong focus on innovation, industry relevance, and holistic development, the institute offers undergraduate and postgraduate programmes in Engineering & Technology, Management and Computer Applications, designed to prepare future-ready professionals equipped to excel in a dynamic global landscape.

* SAR submitted to NBA in Tier-I category. Result awaited

MBA programme is accredited by NBA (National Board of Accreditation) with effect from 1st January, 2026

** Accredited by NBA for a period of 3-years w.e.f. 2023-2024 Academic Session in Tier-I Category

All the above courses are approved by the AICTE & the Dept. of Higher Education, Government of West Bengal and are affiliated to Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal [formerly West Bengal University of Technology (WBUT)].

Admission Procedure & Other Formalities

Bachelor of Technology (B. Tech) (4-year duration)

Eligibility

- H.S. (10+2) examination of the Council of Higher Secondary Education, West Bengal or equivalent.
- Qualified in Joint Entrance Examination conducted by West Bengal Joint Entrance Examinations (WBJEE) Board / National Testing Agency and recommended by the WBJEE Board.
- 80% seats to be filled by JEE candidates, 10% by JEE (Main) candidates and 10% under Management Quota for candidates qualified through WBJEE / JEE (Main).
- Lateral Entry for diploma holders and B.Sc. degree holders through JELET conducted by the WBJEE Board, in the 2nd year with an additional intake of 10% of the approved intake.

Bachelor of Business Administration (BBA) / Bachelor of Computer Applications (BCA) (4-year duration)

Eligibility

- The applicant must have passed the Higher Secondary Examination of the West Bengal Council of Higher Secondary Education or its equivalent from a recognized Board / Council.
- Candidates applying for admission in BBA / BCA should have English as one of the subjects at the 10+ 2 level.
- Admission in the above professional courses as above of MAKAUT, WB is subject to qualifying Common Entrance Test (CET) conducted by the University.

Master of Technology (M.Tech.) (2-year duration)

- Admissions are made from candidates allotted by MAKAUT, WB as per eligibility criteria prescribed by them (which is, a relevant AICTE recognized Bachelor's Degree in Engineering / Technology or equivalent). All applicants for admission to M.Tech. programme should sit for a written test (PGET) conducted by MAKAUT, WB.

Master of Business Administration (MBA) (2-year duration)

- Any Graduate from an AIU-recognized University with a valid score in MAT / WBJEMAT / CAT / CMAT score.

Master of Computer Application (MCA)(2-year duration)

- Admissions are made from candidates who have passed / appeared in Bachelor's Degree in any discipline. Such candidates will have to be qualified in the Joint Entrance for admission in Master of Computer Applications (JECA) conducted and recommended by the West Bengal Joint Entrance Examinations Board. There is a provision of up to 10% of seats to be filled through Management Quota.

FINANCIAL AID / ASSISTANCE

- West Bengal Students Credit Card Scheme.
- 5% seats reserved for admission under Tuition Fee Waiver (TFW) Scheme introduced by AICTE and approved by Government of West Bengal. (For Engineering Programme)
- Free/ Half free studentship to deserving students on merit-cum-means basis as per Govt. Order. (For Engineering Programme)
- Assistance for subsidized Educational Loan from Nationalized Banks.
- Assistance for scholarship / financial assistance from various Government, Non-Government Organizations and Trusts.
- Assistance for Scholarship / Stipend awarded by Backward Classes Welfare Department of the Govt. of West Bengal in respect of SC/ST /OBC students. (For Engineering Programme)
- Assistance through Educational Loan Scheme of West Bengal Minorities Development and Finance Corporation for students from minority communities. (For Engineering Programme)

FIRST BHARATIYA ANTARIKSH HACKATHON 2024

Honorable President of India, Smt. Droupadi Murmu, felicitating the students from the Heritage Institute of Technology for winning the First runner-up position at the First Bharatiya Antariksh Hackathon organized by ISRO on the First National Space Day.

DOUBLE VICTORY AT SMART INDIA HACKATHON 2024

Students from the Heritage Institute of Technology were adjudged as Joint Winners at the Smart India Hackathon 2024 organized by AICTE both in the Hardware and Software Editions.

STUDENT ACHIEVEMENTS

- A team from the Department of CSE(IoT& CS), consisting of Sohom Mukherjee and Dibyajyoti Chakraborty, has won the 1st place at the prestigious Hackathon conducted by LTI Mindtree in collaboration with GitHub, held at the LTI Mindtree campus on 5th June 2025.
- Two teams from the Department of Computer Science and Engineering, HITK secured impressive positions at Hack4Bengal Season 4, a 36-hour offline hackathon held at Sister Nivedita University on 20th -22nd June 2025. With over 100 teams participating from across the state, our students showcased their innovative software-based solutions and stood out from the crowd.
- Students of the institute have consistently demonstrated outstanding performance in competitive examinations such as GATE, CAT, and other national-level tests, reflecting their strong academic foundation and preparedness for higher studies and professional excellence.

DOUBLE VICTORY AT SMART INDIA HACKATHON 2025

- Team Code-Nirvana, led by Srinjoy Roy and mentored by Dr Rituparna Sinha (IT) and Mr Sudipta Bhadra (IT), won the Hardware Edition of Smart India Hackathon 2025 at IIT Kharagpur, 8th -12th December 2025, with their project 'AI-enabled Hardware for Compliance Checker in E-commerce sites'. The team included Sourjya Saha, Shinjan Paul, Aritra Dhar, Shresth, and Ishika Dutta.
- Team Waterloo, led by Soumyadipta Dey and mentored by Dr Mousiki Kar (ECE), won the Software Edition of Smart India Hackathon 2025 at IIM Lucknow, Enterprise Incubation Centre, 8th – 9th December 2025. The team included Mayukh Sen, Jitaditya Ray, Samadrita Ghosal, Arnab Ghosh and Ankit Kumar.

HIGHEST PARTICIPATION AT SMART INDIA HACKATHON GRAND FINALE 2025

Twelve teams from HITK have been selected to participate in the Smart India Hackathon (SIH) 2025. The institute has achieved a significant milestone by securing the highest number of teams (eight) shortlisted for the SIH Grand Finale 2025 among all colleges in the state of West Bengal.

ACHIEVEMENTS

The Institute participated in the National Institutional Ranking Framework (NIRF) by Ministry of Education, Government of India and was placed in the rank band of 201-250 in 2022 among all the Engineering Colleges and Universities in the country, considering both Government and Private

The University Grants Commission (UGC), Ministry of Education, Government of India has approved the proposal submitted by Heritage Institute of Technology Kolkata (HITK) for the extension of autonomous status. Based on the recommendation of the Standing Committee on Autonomous Colleges, the UGC has granted the extension of autonomous status to HITK for a period of 10 years, from the academic year 2025-2026 to 2034-2035.

Institute is recognized u/s 2(f) of the UGC Act, 1956

The Institution is accredited by NAAC for a period of 5 years with "A" Grade w.e.f. 12.07.2022

Institution's Innovation Council, HITK, had been awarded three star ratings for the session 2023-2024 by the Ministry of Education's Innovation Cell, Govt. of India, in its annual performance rating certificate.

The Institute signed an MoU / entered into an Agreement of Cooperation with:-

- Cluj Center for Indian Studies of Babes-Bolyai University Cluj-Napoca, Romania on 4th February 2026 for a period of 5 years. The objectives of the cooperation are to strengthen and to develop the scientific contacts between the two institutes; promote interests in research activities of the two countries; to make scientific knowledge available to profit and non-profit organizations in a changing social context in our countries, based on academic research and professional vocational training; advance the understanding of the economic, social, and cultural issues and traditions of India and Romania
- Cognizant Technology Solutions India Private Limited, Chengalpattu, Tamil Nadu on 20.06.2025. The objective of the MoU is to facilitate an industry and academic partnership for mutual benefit
- Edunet Foundation, Gurugram, Haryana on 30.06.2025. The aim is to promote cooperation and collaboration in computer application-related research studies.
- Heritage Institute of Technology entered into a memorandum of understanding with CSIR-Central Mechanical Engineering Research Institute, Durgapur on 14.08.2025

Heritage Institute of Technology has initiated an academic and research collaboration with Loughborough University, Leicestershire, UK one of the world's leading institutions in engineering and technology. As part of this collaboration, a Summer Research Visit Programme has been planned for undergraduate students.

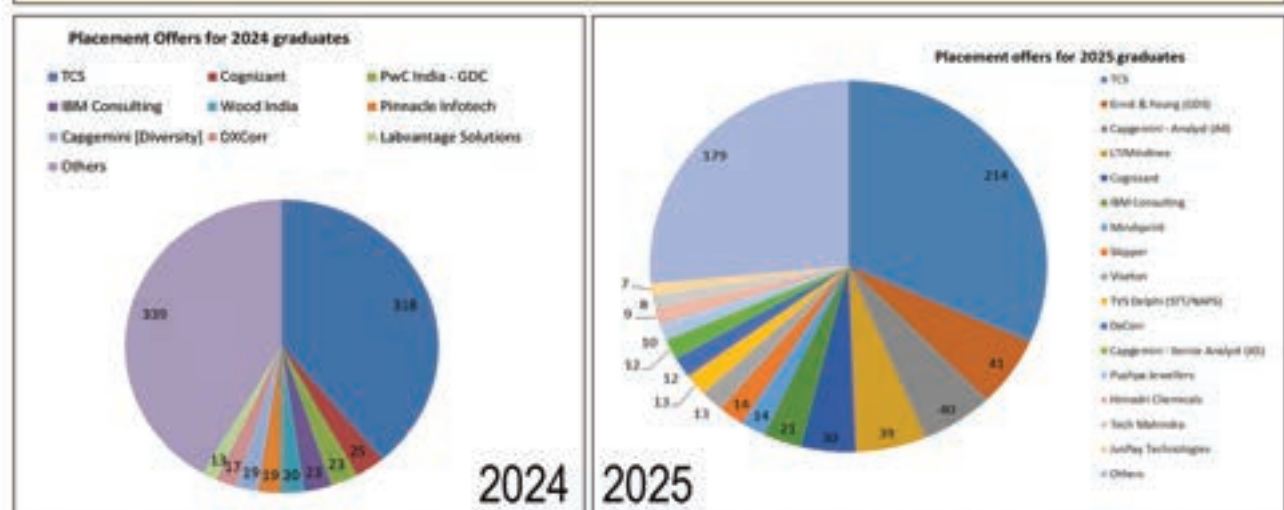

TRAINING AND PLACEMENT

Training & Placement Cell complements the efforts of the members of faculty by organizing value-added programmes and providing placement opportunities to students. It acts as one of the major interfaces with the corporate sector and helps in developing the industry-academia inter-relationship.

Some of the leading industrial houses in which students have been placed since inception of the Institute, are listed below.

Accenture Services Pvt. Ltd.	Extra Marks Education India Pvt. Ltd.	Mendine Pharmaceuticals	Sobha Ltd.

INTERNATIONAL CONFERENCES

The Institute organizes several National and International Conferences and one such was International Conference on Applied Algorithms (ICAA 2026). It was inaugurated with great distinction in the presence of eminent dignitaries. The inaugural session was graced by the Guest of Honour, Shri Jayabrata Ghosh, Vice President and Global Head of Manufacturing Enterprise Solutions at TCS, followed by the Chief Guest, Prof. Santanu Chaudhury, Professor in the Department of Electrical Engineering at IIT Delhi, Fellow of multiple national academies, and former Dean (UGS), IIT Delhi, as well as former Director of IIT Jodhpur and CSIR-CEERI.

Distinguished by intellectual rigor and global participation, ICAA 2026 served as a vibrant platform for knowledge exchange, fostering collaboration, innovation, and cultural engagement. The conference emerged as a truly enriching and impactful academic event.

The Department of Biotechnology, in association with IQAC and IIC, hosted another International Conference on Advances in Medical Biotechnology (ICAMB 2025) which was inaugurated by Mr P. R. Agarwala, Chairman, Board of Governors, Heritage Institute of Technology, and was graced by Prof. Dhrubajyoti Chattopadhyay, Former Pro-Vice Chancellor, University of Calcutta. Three plenary lectures were delivered by esteemed speakers from the USA, Republic of Korea, and Malaysia. A special session focused on real-life applications of biotechnology in medical science, featuring experts from Kolkata's medical institutions.

SUMMER RESEARCH PROGRAMME AT NJIT

Students of the Heritage Institute of Technology have actively participated in the Summer Research Programme at the New Jersey Institute of Technology (NJIT).

The Undergraduate Summer Research & Innovation (URI) Programme at NJIT provides a dynamic platform for undergraduate students across disciplines to undertake full-time, faculty-mentored research during the summer, fostering innovation, critical thinking, and interdisciplinary learning.

The 2025 Symposium,, featured presentations by undergraduate researchers across diverse domains, including bioscience and bioengineering, data science and management, materials science and engineering, environment and sustainability, as well as robotics and machine intelligence, reflecting the global exposure and research orientation of the institute's students.

The Institute offers a wide range of professional programs designed to meet the evolving demands of industry and academia, including the **Bachelor of Business Administration (BBA)** and **Bachelor of Computer Applications (BCA)** programmes.

Guided by the philosophy *"Atma Deepo Bhava" (Be Your Own Light)*, HIT is committed to nurturing skilled, confident, and industry-ready professionals through a blend of academic rigor, practical exposure, and holistic development.

PROGRAMS OFFERED

The Bachelor of Business Administration (BBA) program at Heritage Institute of Technology is a dynamic and industry-oriented undergraduate course designed to prepare students for leadership roles in the modern business environment. The program integrates theoretical knowledge with real-world business applications, enabling students to develop a strong foundation in management principles.

Career Pathways

GRADUATES OF THE BBA PROGRAM CAN EXPLORE DIVERSE ROLES SUCH AS:

• Business Development Executive	• Financial Analyst
• Marketing Manager	• Operations Manager
• HR Executive	• Entrepreneur / Startup Founder

Students can also pursue higher studies like MBA, PGDM and management programs abroad to further enhance career prospects.

BACHELOR OF COMPUTER APPLICATIONS (BCA)

The Bachelor of Computer Applications (BCA) program at Heritage Institute of Technology is designed to equip students with strong technical expertise and problem-solving abilities in the field of computer science and information technology. The program focuses on both foundational computing concepts and emerging technologies.

BCA GRADUATES CAN PURSUE CAREERS IN:

• Software Developer / Programmer	• IT Consultant
• Web & App Developer	• Cyber Security Analyst
• Data Analyst / Data Scientist	• AI/ML Engineer

Students may also opt for higher studies such as MCA, M.Sc. (IT/CS), or specialized certifications in advanced technologies.

University Toppers

2014 - 2017	BCA	CHAVI NIHAL CHANDANI	SILVER MEDAL
2013 - 2016	BBA	SURABHI ANAND	GOLD MEDAL
2010 - 2013	BCA	SANCHARI DAS	BRONZE MEDAL
2009 - 2012	BBA	ANKITA DAS	SILVER MEDAL
2008 - 2011	BBA	MEGHNA SHAH	GOLD MEDAL

Placement & Industry Interface

- Placement support through the integrated HITK ecosystem
- Regular workshops, seminars, and industry interactions to make the students industry-ready
- Structured internship and pre-placement training programs

Recruiters Include:

SAP LAB | Cognizant | Capgemini | Deloitte | Amazon | LTI Mindtree | Infosys | TCS | Wipro | British Telecom | EY (Ernst & Young)

Academic Excellence

- Consistent University Toppers and Rank Holders
- Experienced faculty with academic and industry expertise
- Focus on academic rigour followed by continuous evaluation

Campus Life & Facilities

- Access to state-of-the-art infrastructure and resources through HIT (K) integration
- Smart classrooms, advanced computer labs, and a central library
- Sports, cultural activities, and student engagement platforms
- Modern, eco-friendly campus environment

MBA

Heritage Institute of Technology also offers a Two Year Full Time MBA Programme approved by AICTE, Ministry of HRD, Government of India, accredited by National Board of Accreditation (NBA) and affiliated to Maulana Abul Kalam Azad University of Technology (MAKAUT), WB.

Programme offered

Two-year full time MBA programme divided into four semesters, with specializations in the areas of:

	MARKETING
	FINANCE
	HUMAN RESOURCE MANAGEMENT
	SYSTEMS
	BUSINESS ANALYTICS
	OPERATIONS

RANKINGS & ACCREDITATIONS

- NBA accredited (w.e.f. January, 2026)

INTERNATIONAL CONFERENCE ON “SUSTAINABLE DEVELOPMENT: VIEWS FROM DIFFERENT PERSPECTIVES 2.0”

Heritage Business School successfully organized the second edition of its International Conference on “Sustainable Development: Views from Different Perspectives 2.0” at the Heritage Campus on 7–8 November 2025.

Chaired by Prof. Anup Kumar Sinha, Chief Mentor, Heritage Business School, the conference opened with significant academic direction and set the stage for impactful discussions on sustainability-driven policies and practices.

The two-day event brought together distinguished speakers and scholars from premier institutions including IIMs, IITs, Presidency University, JNU, and other eminent universities and research centres. The conference served as a dynamic platform for interdisciplinary dialogue and knowledge exchange.

KEY DELIBERATIONS FOCUSED ON:

- Food security and nutritional sustainability
- Climate action beyond decarbonization
- Alternative and regenerative agricultural models
- Reimagining sustainable growth within the full SDG framework

Experts underscored that sustainability spans far beyond environmental stewardship, encompassing social equity, economic resilience, responsible innovation, and community well-being.

Heritage Business School extends sincere appreciation to all speakers, participants, faculty members, student coordinators, and research scholars whose contributions made this conference both insightful and impactful.

The institution remains committed to advancing research, thought leadership, and meaningful collaborations for a future where progress and sustainability move forward together.

Distinguished speakers and research scholars from various educational institutions across the globe

The Heritage Academy

OVERVIEW

Established in 2007, The Heritage Academy offers undergraduate and postgraduate programmes such as Bachelor of Science in Cyber Security, Bachelor of Science in Media Science and Masters of Science in Media Science. The Academy is affiliated to the Maulana Abul Kalam Azad University of Technology, West Bengal.

Approved Intake in various courses:

Disciplines	Duration of Course	Approved Intake
Bachelor of Science in Cyber Security	4-year	60
Bachelor of Science in Media Science	4-year	60
Master's of Science in Media Science	2-year	30

UNIVERSITY TOPPERS

2017 - 2019	MMS	MANASI AGARWAL	GOLD MEDAL
2016- 2018	MMS	DITI CHAKRABORTY	BRONZE MEDAL

ADMISSION PROCEDURE:

Eligibility - in BMS/BCS

- The applicant must have passed the Higher Secondary Examination of the West Bengal Council of Higher Secondary Education or its equivalent from a recognized Board/ Council.
- Candidates applying for admission in BMS / BCS should have English as one of the subjects at the 10+ 2 level.
- Admission to this professional course under MAKAUT, WB, is subject to qualifying Common Entrance Test (CET) conducted by the University.

Eligibility in M.Sc. in Media Science

- Candidates applying for admission to M. Sc. in Media Science should be Graduate in any stream.
- Admission to this professional course under MAKAUT, WB, is subject to qualifying Common Entrance Test (CET) conducted by the University.

TRAINING & PLACEMENT

- Some of the companies which have offered placement to BCS and Media Science students are:

EY India	MSL	Aaj Tak Bangla
LTI Mindtree	Weber Shanwick	24 Ghanta
Cognizant Technology Solutions	The Mavericks	Surinder Films
Capgemini	Dentsu Creative	Eskay Films
Infosys	Archetype PR	Rose AV

EVENTS

1. Journoscope - Journoscope serves as our flagship celebration of Journalism, bridging the gap between classroom learning and the evolving realities of the media industry. The event is a prestigious gathering attended by industry doyens and leading voices who share their seasoned perspectives with our students.

2. Heritage Academy Film Festival (HAFF) celebrates the vision and artistry of emerging student filmmakers. As an inter-college event, HAFF unites talent across institutions, showcasing a diverse range of student-produced cinema. Participants compete across several dynamic categories, including Fiction and Non-fiction Filmmaking, Film Quiz, and Reel Making.

3. Ad Adda - A platform for aspiring student marketers to showcase their strategic and creative prowess. Participants are challenged to develop comprehensive 360° Marketing Communication campaigns for brands, films, and social causes. The festival also features specialized competitions such as Poster Making, Ad Spoof, Copywriting, and Social Media Marketing, all evaluated by seasoned industry professionals.

4. Agomoni - To usher in the spirit of Durgotsav, the state's most significant cultural festival, The Heritage Academy hosts 'Aagomoni'—a grand celebration, bringing together distinguished experts to share their insights. The festivities continue with a vibrant student-led cultural program .

5. Accept Us - A vibrant ice-breaking celebration to welcome the incoming batch, this student-led event fosters meaningful connections between seniors and juniors. This annual tradition marks a milestone of mentorship, ensuring a high-energy transition into the Academy family.

6. Ecstasy - A high-octane celebration where raw energy, glamour, and boundless creativity collide. From the thrill of sports and the runway to soul-stirring music and sharp-witted debates—this is your ultimate stage. Step into this vibrant melting pot of ideas to let your talent take flight and make memories that last a lifetime.

The Heritage Law College

OVERVIEW

Heritage Law College has been set up in 2015 with a view to advance and disseminate learning and knowledge of law and legal processes and their role in national development. The aim of the College is to promote legal knowledge and to make law and the legal process, efficient instruments of social development. Our educational philosophy is dedicated to develop in the students a sense of responsibility to serve society in the field of law by developing skills with regard to advocacy, legal service, legislation, law reforms and the like and also to promote inter-disciplinary study of law in relation to management, technology, international cooperation and development.

ACADEMIC PROGRAM

- The College offers 5-year integrated B.A. LLB. Degree course, affiliated to University of Calcutta and approved by the Bar Council of India, New Delhi.
- Intake: 180 Students.

THE HERITAGE ADVANTAGE

- Heritage has unique brand value.
- Heritage has got an excellent infrastructure.
- Heritage tirelessly strives for perfection.
- Heritage is conscious about the urgent Need of the Nation: Value-based Integral Leadership.
- Heritage Law College, under the University of Calcutta, is the right place for law education in the state of West Bengal.

ADMISSIONS PROCEDURE

The admission process is in accordance with the norms of University of Calcutta, i.e. through Entrance Examination.

Visit to Supreme Court

WINNING RS. 1.5 LAKH CASH PRIZE

We are delighted to share that our talented students Bristee Biswas and Meghnila Chakraborty have been recognised as the Best Negotiating Pair at the 4th Xavier's Mediation Competition 2026, hosted by Xavier Law School, St. Xavier's University Kolkata.

They brought home a prize of ₹1.5 lakh! Competing alongside participants from leading law schools, they demonstrated exceptional negotiation skills, preparation, and teamwork while presenting before an esteemed panel of judges.

This achievement reflects the strong culture of advocacy, collaboration, and professional excellence nurtured at Heritage Law College.

THE HERITAGE COLLEGE

OVERVIEW

Affiliated to the University of Calcutta, The Heritage College was established in 2016 with a mission to generate broadminded, creative leaders to meet the challenges of a global society. The Co-educational College is recognized as a premier institution in Kolkata offering six UG honours programmes in English, Commerce, Economics, Physics, Psychology, Chemistry and Mathematics. It has created a niche in the educational sector of Kolkata for its standard of academic excellence, distinguished teaching and for its emphasis on creating compassionate, responsible and disciplined citizens.

The campus is exquisitely landscaped and provides a tranquil surrounding with a backdrop of lush greenery, which offers an aesthetically pleasing and serene atmosphere.

B.Sc. (Hons.) Economics 2019-22
MBA at IIM Calcutta

Tabiba Islam

B.Com. (Hons.) 2020-23
Pursuing Masters at
Alliance Manchester Business School

“

TO THINK

A library, to modify the famous metaphor of Socrates, is the delivery room of the birth of ideas...A place to connect, to share, to grow, and help expand your horizons.

”

The richness of a college lies in its well-equipped library which is the “heart” of any academic institution. Students have a quiet place to work in an exclusive air-conditioned Digitalized Library with online access to innumerable national/international journals and articles for conducting research. The Library also boasts of books, journals, and magazines in more than 10 subjects.

In addition, there is a Central Library, which is housed in the Central Block, fully air-conditioned and covering an area of 1500 sq.m., accessible to the students.

Our library houses a generous collection of texts and reference books on all relevant subjects. The library subscribes to a large number of national and international journals, periodicals, proceedings, magazines & local and national dailies, which are available for the benefit of the readers. Facilities at the library are constantly upgraded and expanded. Some of the current facilities include Reprographics, Internet, and educational CDs. The Library has an Automated Library System (LIBSYS) and Online Public Access (OPAC) facility, as well as an e-library with printing and photocopying facilities.

WHERE LEARNING MEETS THE REAL WORLD

A HUB OF IDEAS, INNOVATION, AND EXPERIENTIAL LEARNING

The Heritage College, Kolkata fosters a dynamic academic environment through the regular organization of seminars, conferences, and flagship events that encourage intellectual exchange and holistic learning. One such notable initiative is its annual economics fest, which brings together students, academicians, and thought leaders from across institutions to engage in meaningful discussions on contemporary economic issues, innovation, and sustainability. These events typically feature a wide range of activities such as paper presentations, panel discussions, quizzes, debates, and creative competitions, offering students valuable opportunities to develop analytical thinking, creativity, and collaborative skills.

Distinguished academicians, industry experts, and professionals are frequently invited to deliver keynote addresses and participate in panel discussions, providing students with deep insights into current economic trends, policy challenges, and the evolving global landscape. Such interactions not only enrich academic understanding but also help bridge the gap between theoretical knowledge and real-world application.

In addition to these large-scale events, the College regularly organizes internal seminars, workshops, and conferences to promote continuous learning and research-oriented thinking among students. Guest lectures by eminent personalities from academia and industry further enhance the learning experience by exposing students to diverse perspectives and professional expertise.

To complement classroom learning, the College also emphasizes experiential education through industrial visits and corporate immersion programmes. These initiatives offer students first-hand exposure to organizational practices, industry operations, and workplace dynamics, thereby equipping them with practical knowledge and professional readiness. Collectively, these efforts contribute to a well-rounded educational experience, preparing students to meet the demands of the modern professional world.
