

HIGHLIGHTS

Message from Chairman, Kalyan Bharti Trust

Awards & accolades marked the beginning of the year with The Heritage School & Heritage Institute of Technology being awarded the 'Best School for Value-based Education & Innovation' and 'Best Engineering College of the Year' respectively, at the 6th Edumeeet Excellence Awards ceremony organized by ASSOCHAM on 18th January. Education World Awards for the No.1 Private Institute in Engg Education, Management Education, Media Science & General Degree Programmes were also conferred.

Institutional excellence was matched by our Manya Gupta securing #1 All India Rank in ISC 2023 examination. She was also blessed by H.E. Shri Jagdeep Dhankhar ji, Hon'ble Vice President of India.

The first half of the year also witnessed the signing of two MOUs between Heritage Institute of Technology and IIT Guwahati & Royal Global University Assam for the purposes of furthering cooperation in education, R&D activities, and student & faculty exchange programmes.

A very significant development in the realm of Education – the National Education Policy '20 has now brought in challenging insights into the way educational institutions and educators will move ahead to create a better future for our students.

The recently-held G20 Summit, with India as the President of the body, has also presented us with a wider vision & thrust of education through its 'Educational Policies & Programmes' document. I am confident that our Heritage family will continue, as always, to meet the challenges of the coming times and will hold high our motto of 'Atma Deepo Bhava'.

I wish all students, faculty members, staff & alumni all the best for the journey ahead and, together, with my fellow Trustees, we will forge ahead to keep aloft the Vision & Mission of the Trust.

26th | HAPPY JANUARY | REPUBLIC DAY

74th Republic Day celebrated with pride and joy

The Heritage School and Heritage Institute of Technology, Kolkata, celebrated
74th Republic Day on 26th January 2023.

The Chief Guest during the inaugural ceremony was Mr. Vikram Swarup, Chairman,
The Heritage School and Vice Chairman, Heritage Group of Institutions, Kolkata.

The event also had various cultural performances performed by the
students of the School, and the College.

On 26th January, 2022, Heritage Group of Institutions, Kolkata, celebrated Vasant Panchami in The Heritage campus. The Heritage School students and teachers decorated the Goddess of Learning and Education, Saraswati Devi with Bengali Alpona which depicted the creativity of the students from every aspect. The teachers were actively involved in the decorative activities with the students. "It is great to see the students actively participating and creating something new in this festive season," said Ms. Seema Sapru, Principal, The Heritage School Kolkata.

Heritage Institute of Technology and all the other institutions under the Heritage Group organized Saraswati Puja keeping in mind the rich tradition and culture of the Indian Heritage.

Mr. Vikram Swarup, Vice Chairman, Heritage Group of Institutions, Kolkata, was present on the occasion.

INTERNATIONAL WOMEN'S DAY

On 10th March, Heritage Group of Institutions, Kolkata, celebrated International Women's Day by organizing a panel discussion on the theme 'Embrace Equity'. The panelists were Mr. Peter Cook, British Deputy High Commissioner, Ms. Reena Dewan, Director & Curator, Kolkata Centre for Creativity (KCC), Ms. Sonali Bhattacharya, Associate Vice President, LT MindTree, Ms. Richa Singh Debgupta, Chief of Strategy & Operations, Fortis Healthcare Ltd. and Ms. Payal Chopra, Director, Moople. The panel discussion was moderated by Dr. Madhupa Bakshi, Dean, Department of Media Science, The Heritage Academy, Kolkata.

The panelists discussed and deliberated on this year's theme 'Embrace Equity', encouraging people to celebrate women's achievement, raise awareness about discrimination and take action to drive gender parity.

In humanitarian crises, women frequently experience more adverse effects than men, such as gender-based violence or an impact on their sexual and reproductive health. Research and innovation have a key role to play in contributing towards advancement in gender equity in humanitarian settings and every individual can play a role in identifying challenges and funding research and innovation for evidence-based solutions.

"UK has a new plan- educate, empower, end (gender violence)! Eminent female panelists said it better than me," said Mr. Peter Cook.

Ms. Richa Singh Debgupta said, "When you have a larger purpose, every battle is not worth fighting for. Prioritize and make your choice carefully."

The panel discussion also witnessed the presence of Ms. Seema Sapru, Principal, The Heritage School Kolkata as one of the panelists. She spoke about the role of today's women and how they are coming up in various areas breaking the conventional barriers.

'YOUTHOPIA', THE SCHOOL FEST HAS TAKEN THE CITY BY STORM

'Youthopia', the School Fest, which has taken the city by storm each year, and this year it was no exception. It started in 2010 and in its 14th edition, it had assumed a colossal stature and has touched unimaginable heights.

Spread over three days, Youthopia offered opportunities galore to students from across the country to participate in numerous activities such as sports, verbal combat, business tactics, gaming skills, fashion, design, music and dance.

The fest was inaugurated by the icon of journalism, Ms Manogya Loiwal, the recipient of the Ramnath Goenka Award for Excellence in Journalism who shared her 'P' formula for success with the students. She spoke about Planning, Preparation and Prayers as part of her mantra for achieving one's dreams.

The packed auditorium bore testimony to the fact that the fervour of excitement that went before a great competition, was palpably electrifying and once the fest was declared open by the Chief Guest and the souvenir released, participants were cheered by their teams to keep the enthusiasm going.

There were 10 sporting events, 16 Off Stage events and 13 On Stage events to fill the three days. Judges from different walks of life, celebrity performers and experts had been empanelled to select the best out of the best.

Hard work must be amply rewarded and to do the honours, there were spectacular performances by DJ Vicky and singers Sachin and Jigar. This fest had been planned, designed, executed and conceptualized by the students of Class 12.

President Tanay Maskara and his team had burned the midnight oil to make this dream come true. The event was set to bring a smile to every face and disseminate happiness.

HULT PRIZE

The Institute hosted the On-Campus HULT HITK 2023 for the 5th time in a row. The One Million Dollar Start up Challenge is the world's largest student competition for social entrepreneurship. Known as the 'Nobel Prize for Students' by media outlets world-wide, the HULT Prize is offered in partnership with former US President Mr. Bill Clinton and the Clinton Global Initiative. A challenging topic is announced every year and the winners are announced in the month of September. The issue addressed this year was—Redesigning Fashion. The On-Campus winners then move on to the Quarter Finals and then following them Semi Finals, Global Accelerator and Global Finals. The winners of the competition receive USD 1 Million capital, as well as mentorship and advice from the international business community. Each of the finalists receives funding along with membership to the Clinton Global Initiative. The event is hosted and supported by HULT International Business School, and funded by Swedish entrepreneur Bertil Hult.

HITK and HULT PRIZE have been in relation for the last 5 years. As part of the On Campus Program, students get the opportunity to train, educate and inspire themselves by building an impact community around On Campus events. The winning team from the program has a guaranteed spot at one of 25+ Regional Summits happening across the globe.

For this year's event the Campus Director of HULT HITK 2023 was Subham Ghosh, a B.Tech student from the Department of Electronics and Communication Engineering. He outshone other students in this post. Subsequently he had an active role in selecting the Organizing Committee members.

This year's Assistant Campus Director was Shriyans Roy, a B.Tech student from the same Department. Following this, various campaigns were held and 3 workshops were organized to create awareness about the event.

The On-Campus round saw a large number of applications from students. The Finals happened on 27th February. They were judged by experts from the areas of Organizational Behaviour, International HRM, qualitative inquiries from post structural frames with economy workers. The judges provided their valuable insights and suggestions to the participants.

The First prize was won by the team Reware who presented their business idea of upcycling where they are printing logos on T-shirts of famous YouTubers.

The Second prize was bagged by the team De-Code, where they are offering buying and renting of fashion items through an ecommerce platform.

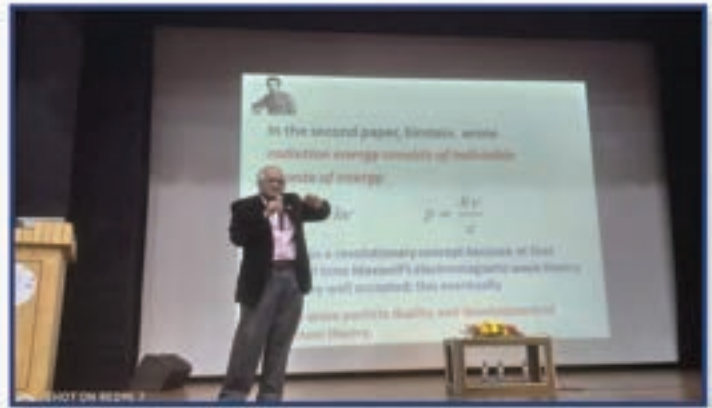

The third prize was bagged by Fashion Ninjas who presented a business idea of reducing fabric waste by the concept of cloth swapping and converting it into fabric which will be further transformed into a new one as per the recent trend.
